

MODULE 3 – WORKSHEET 6

Empathic scenarios and the awareness of needs

Maria wants to attend her friend's birthday party, but her parents absolutely forbid it.

Elena has just found out that her best friend has been spreading malicious rumors about her all throughout the school.

Eliza wants to be a part of the school's chess team. Her classmates tell her that she is too overweight for this sport.

Mihai is an Olympic-level Math student. He likes school but his classmates laugh at him because he gets nervous when he talks to a girl and because he doesn't know how to have fun.
